Thank you for allowing us to interview you at your 50th year reunion for Bellingham High School. Thanks to the great turnout, the DVD is filled with classic interviews and candid close-ups of your classmates. Our camera was on throughout the evening capturing all the excitement.

We spoke with nearly every classmate as they introduced themselves and shared great memories from their years at Bellingham High. You will also find what everyone's been doing over the years. To enhance the DVD, we've added computer graphics and music from the fifties.

To receive your 2-hour reunion DVD or video, send the bottom portion of this letter with a check or money order in an enveloped addressed to us or call 1-800-654-8277 and charge it to your Visa. If you are not completely satisfied, we will give you a full refund.

Sincerely,
Richard Raines
